Dear sponsors and supporters of Children of One Planet,

My name is Azita Milanian, founder and CEO of Children of One Planet (COOP) , a 501 c(3) non-profit organization, established in 2000, which helps children around the world.

In 1998, I saved a newborn baby I found buried alive in a shallow grave on a trail in Altadena. He was adopted and his records were sealed.

This miracle inspired me to start Children of One Planet (COOP). Twenty years later another miracle happened. I was reunited with the baby I found on his twentieth birthday on the *On Air with Ryan Seacrest* radio show.

“The mission of Children of One Planet is to inspire all to be the voice for innocent children and to protect them against hunger and violence.”

We are excited to announce our 2022 annual gala for our ***Dance For Hope America*** campaign. This is a celebration of our annual effort to raise money for a ***Dance For Hope America*** location in Pasadena/Altadena, CA

This gala will take place on October 22, 2022 at the Charles S. Farnsworth Park in the Upper Davies Building at 568 E. Mount Curve Avenue, Altadena, CA 91001.

This will be our most vibrant gala yet and will feature local musicians, singers, and champion ballroom dancers. It will include food catered by local restaurants. There will be a live band and complimentary dance lessons.

The Dance for Hope America campaign brings social dancing to neighborhoods in America. Through this campaign we educate children and teens about personal safety, nutrition, physical and mental wellness, and prosperity. It also encourages children and young adults to participate and enjoy dance as a pathway to leading healthier and happier lives.

Thank you for your consideration and I do hope you will help us to help children in need through your donations and corporate sponsorship. I can discuss the corporate sponsor promotion opportunities tailored for your preferences. Attached is a breakdown of our sponsorship levels.

Please contact me via phone or e-mail. I hope to hear from you soon.

With gratitude,

Azita Milanian
